

# Best Practices in Mental Health Professionals Working with Persons with Aphasia

## Select Articles and Publications

### Relationships/Sexuality/Intimacy

*This is a selection of journal articles and podcasts to support or build on the topics introduced during the training: Best Practices in Mental Health Professionals Working with Persons with Aphasia. It is not an exhaustive list of available resources. The links included are current as of March 2023. We would like to thank Ellen Bernstein-Ellis, M.A., CCC-SLP for contributing to this list. Other than our own work, we do not specifically endorse any of the organizations, facilities, programs, products or services listed.*

#### Journal Articles/Professional Publications

McGrath, M., Lever, S., McCluskey, A., & Power, E. (2019). How is sexuality after stroke experienced by stroke survivors and partners of stroke survivors? A systematic review of qualitative studies. *Clinical rehabilitation*, 33(2), 293–303.

<https://doi.org/10.1177/0269215518793483>

McGrath, M., Low, M. A., Power, E., McCluskey, A., & Lever, S. (2021).
